Re: *Van Cleef & Arpels Logistics, S.A., et al. v. Heidi Klum, GmbH et al.*
Civil Action No. 07-CV-11476 (SAS)

Dear Judge Scheindlin:

We represent Plaintiffs in the above action. An initial conference is currently scheduled for February 19, 2008. We write to request that this date be adjourned for the following reasons:

First, none of the defendants have been served. Shortly after filing the Complaint, we sent a courtesy copy of same to each of the Defendants, inviting them to negotiate the issues raised.

Second, since that time, the parties have in fact engaged in serious settlement discussions. The parties would prefer to work on this avenue of resolution before incurring litigation expenses.

We have conferred with counsel for the principal defendant, and he concurs that an adjournment would be appropriate.

We accordingly request that the initial conference be adjourned by about two months, until some time in mid-April. If the case is not resolved through settlement, we will have then served the defendants and can proceed with the initial conference and setting a discovery schedule.

Respectfully submitted,

KALOW & SPRINGUT LLP
